

## **PIE Special Meeting October 29, 2008**

President Jeff Hickman called the meeting to order.  
Principal Andersen opened with prayer.

Reason for meeting was a final discussion and vote on the purchase of a portable stage for the auditorium.

Jeff stated that the stage package included

- 6 – 4x8 panels carpeted in either pewter or charcoal
- 2 sets of steps
- 8 guard rails
- Skirting
- Cady

The original bid was for \$6800, however Integrity Furniture out of Texas, which specializes in furnishings for schools, bid this package at \$4300. If ordered in pewter or charcoal, it will ship within a week.

Jeff has spoke with Cecil Harms concerning the use of Karen's memorial money and Cecil was in favor of using it towards the stage. This is \$2500.

The silent auction profit for PIE is aprox. \$1300.

Tracy Harms motioned to purchase the stage package, Sarah Sunderman 2<sup>nd</sup>.

Was noted by Thaney Brockman to order with pewter carpet, all in agreement.

Jeff to order the stage this coming week and coordinate payment with Connie Harms.

Integrity Furniture also has desk and chair sets for \$125 plus shipping. Further discussion on this for next meeting. Some of our current desks are 50 years old.

With no further discussion, we closed with Jeff leading us in the Lord's Prayer .

~Respectfully Submitted

Thaney Brockman, Secretary
