February 26, 2010

March—Is it going to come in like a lion or a lamb? I am ready for some warmer weather!

**Spelling** The spelling lists for next week are on the flip side of this paper! There are at least 3 spelling errors in this newsletter! Your child will receive bonus points if he circles them and returns the newsletter to me!

## **1<sup>st</sup> Grade Reading**

Every child still needs to read at least 15 minutes every night in either their reading books or baggy books!

## **2<sup>nd</sup> Grade Reading**

20 minutes of nightly reading is expected and required! The Book It calendar for February is due on Monday. We are reading AR books and taking the computer quizzes. We are also working on our comprehension skills using fables.

**Math** 2<sup>nd</sup> graders will work on finding area! We are also working on memorizing subtraction facts. Those -6, -7, and -8 facts are pretty difficult! Any practice at home would help!

**Science/Social Studies** The magnet senter is still set up for investigating magnets. We will also talk about dental health!

**Religion** We will learn about Zacheus.

If you have questions or comments, feel free to contact me at school (668-4614), before 4 p.m. or at home (660-343-5359), before 9 p.m. or e-mail me at [bschnak@hotmail.com](mailto:bschnak@hotmail.com).

God Bless!
