Recessional Leonard C. Schnell

Remarks by Nancy Brockman

Pastor Dierking, Teachers, Members of the Board of Christian Education, Parents, and Friends:- In behalf of the girls of the graduating class of 1958, of Trinity Lutheran School, I extend to all of you a hearty welcome.

We are thankful for having had the privilege of attending a Christian Day School; some of us for the entire eight years and some for a shorter period.

During these past years we have spent many happy hours together, growing in spiritual as well as in secular knowledge. We hope and pray that none of us will forget the training we have received here; AND may we always remember our motto: "Be Faithful to Christ till Death!"

We want to thank our pastor and teachers who so diligently prayed for us, and for the training they have given us.

Though we may go on separate ways, we will always be united by the bonds of Christian friendship which we have formed while we attended Trinity Lutheran School.

Remarks by James Schnackenberg

Dear Pastor, Teachers, Parents, Friends, and members of the Board of Christian Education:- In behalf of the boys of the graduating class of 1958, I would like to thank you Pastor and teachers for the saving knowledge in Christ that you have given us. I would also like to thank you parents and you members of the Board of Christian Education for helping in this Christian training.

I would like to express a special "thank you" to you Pastor Dierking for the inspiring message you have given us this evening.

God has graciously brought us to an important step in our education, the graduation from the elementary grades. We pray that we will let our motto "Be Faithful to Christ till Death" guide us in the future.

We hope and pray that all of us will continue in the Word of God, and never stray from Jesus' flock.

We would like to take this opportunity to say a final "farewell" to all the school mates of Trinity Lutheran School.

May God keep us steadfast in our motto: "Be Faithful to Christ till Death!"

The Pastor's Message

Dear Young Friends,

"In School We are Coming to Jesus!" With this thought we started our school year in September. Do you remember? We listened to the story of Jesus blessing the children. We heard how much He loved them and how much He did for them. That made us sure that Jesus would be with us during the whole year to love us and to give us His rich blessings.

Yes, that He has done. Every day during this year we had the joy to come to Jesus. Every day during this year we heard the Word of Jesus in our school. Every day during this year Jesus gave us more of His love and His great blessings. We are happy and thankful today for all of His love and blessings.

What have His love and blessings done to us? Certainly very much. We KNOW more about His great love for us. We TRUST more in His love for us every day in our life. We REJOICE more in our hearts over His great blessings upon us. We WORSHIP more heartily in praise to Him for all He has done. We LOVE more dearly and are willing and able to DO more for Him and for others. Yes, this has been a year of rich blessings for us.

With this in mind let us look forward to another year of Coming to Jesus to receive His love and blessings every day. This will be the next school year for all those who are not graduating at this time. We want to be back in Trinity Lutheran School next year, if it be God's will. We want to learn more about His love and we want to grow MORE in His love.

And all of you who are graduating this year may you always be THANKFUL for and always USE the blessings of Jesus' love which you have received and enjoyed so much in your school, not only this last year but EVERY year you were in school. May you ALWAYS show your thankfulness to Jesus by a life that is LOVING and SERVING Him in EVERY way and at ALL times.

Your parents, your teachers, and your pastor so PRAY for you.

Your pastor,

Walter Dierking

From the Teachers

Dear Graduates,

You have chosen a beautiful motto. You have been taught its true meaning by you parents, teachers, and the Pastor. To KNOW the meaning is important; to KEEP this motto is more important.

From the Teachers (Con't.)

You have reached one of the milestones in your education. All of you must indeed feel grateful to the Lord for His many blessings. Indeed, without Him you could have done "nothing". Continue in looking to Him for help and the milestones which are to follow will be crowned with success.

Your teachers will continue to be concerned about you and will pray for you. Be a credit to you parents, school, and above all to your heavenly Father.

Your teachers,

Leonard C. Schnell
Helen Hesse

A Look at the Class of 1958

NANCY BROCKMAN:--Born Dec. 13, 1944, in Balke Prairie Community. Parents are Arpie Brockman and E. Edna (nee) Schnakenberg. Baptized Dec. 31, 1944 by Rev. Jagels. Attended Trinity Lutheran School for 8 years. Confirmed by Pastor Walter Dierking on March 30, 1958.

AUTOGRAPHS FOR CLASS MEMBERS

Confirmation Class

This year's class of Catechumens was confirmed on March 30th. In addition to the eight members of our class Larry Haase was a confirmand. Examination was held on Sunday, March 23d. This year's class met until the end of the school term. The Seventh Grade also takes part in this instruction. Since Confirmation the topic has been Missions.

"I.Q." Tests

Mr. Owen, the County Superintendent, administered the tests several months ago. Since five of the pupils were not present at that time, he returned recently and finished the job. The general result was just about as we had expected. During his first visit Mr. Owen was our dinner guest.

Snowbound

During this last winter we experienced some heavy snowfall. One day only nine pupils attended school. Mr. Schnell taught all the pupils that day. The following day thirteen were present. Finally the attendance improved.

Eighth Grade Visits High School

No visit this year.

Lunch Program

Mrs. Stella Muller was our cook again during the past year. She has prepared good meals since we have started this program. The price of the meals is 25¢. The Government was not able to supply us with the foods as it could be done during the previous years, but the financial reimbursement has been good.

A new stove has been added to the equipment. This was the gracious gift of the Tinneys.

School Picnic

We will have our annual school picnic on Monday, May 26th. The morning will be spent at the new Sedalia skating rink, especially by those who can skate. Before noon we will go to Liberty Park to have a covered dish dinner. The winners will be supplied by the congregation. The afternoon will be spent with contests and entertainment with the playground equipment.

Field Day

This year's annual Field Day was held at Stover, Trinity winning 143½ to 83½. We are holding the new trophy temporarily. With two more wins it will become permanent property of Trinity as was the last trophy. This means three successive wins. We feel that good cooperation and hard work has brought us those honors.

Cole Camp Public School Competition

Our contests with the Cole Camp elementary grades left us on the short end of the scores. We enjoyed the fine spirit on both sides and hope to see more of it in the future. Then we hope to see the long end of the score on our side.

Monarch Butterfly

Dwayne Wienberg brought a Monarch caterpillar to school last Fall. It was white, black, and yellow striped. Two days later it formed a pupa. Five days later it

opened into a beautiful Monarch butterfly. The next day we let it fly away. It was an interesting experience for our smaller children.

Bookmobile

On March 28th the bookmobile stopped at our school for the first time. Committees from each room with the help of the teachers chose the books. All of the children have enjoyed the books. During the Summer it will stop in town on each third Saturday of the month, from 1230 till 3:30.

Tonsil Trouble

Sandra and Faye Hagenah will have their tonsils removed on the day of our picnic.

Art Project

In the lower grades a fine Thanksgiving project was carried out. A branch from a tree was used to give the Autumn effect by putting paper-colored leaves on it. Baskets of all colors were made and probably will be displayed at the Fair. Other interesting projects were carried on during this term.

Stamps

The pupils showed a great interest in buying Bonds and stamps during this term. After the finishing of a Bond a certificate was awarded at the end of the term. The total amount of stamps sold was near \$400.00. Each room received a book from the committee for our part in this project.

Talks

In both rooms talks were given by the pupils to learn to speak freely in telling a story or explaining the use of certain articles.

Vacation Bible School

This year as previously we will conduct a two-weeks' Bible School. The dates are from June 2nd till the 13th. This will be conducted only in the mornings from 9:00 till 11:45. We hope to have a large enrollment.

Crowded Conditions

Our enrollment for the past term has been 66. That leaves little space for enlargement at present. The future has great opportunities for us with the Lord's blessing.

CAN YOU IMAGINE?

DELORES SCHUMACHER without a curious look.
CAROL MUELLER in a sack dress.
LINDA KAY SCHUMAKER without a friendly smile for everybody.
MARCIA DIECKMAN making noise.
STANLEY KROENKE talking loudly in time of school.
FRANK TINNEY the fastest one in school.
CHARLES GROTHOR the fattest one in school.

PASTOR DIERKING loafing.

HE WHO LAUGHS LAST DOESN'T CATCH ON SO FAST.

HUMOR? Har! Har!

TEACHER: What nationality was Columbus?

Donald Miesner: "American!"

David Denker and Winston Borchers talking about high jumping during a Science test and taking a chance to get an "F".

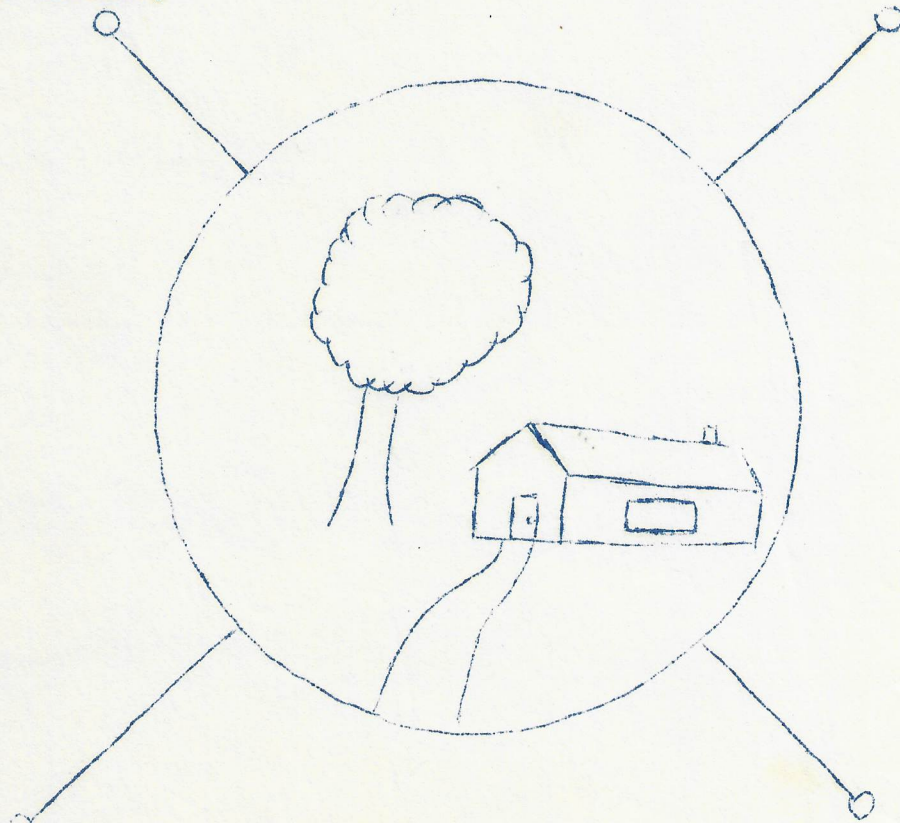

TEACHER: Who has the best foot^{ball} ^{team} in the United States?

Dennis Harms: "Germany!"

TEACHER: Charles, what are the three most used words?

Charle Grother: "I don't know!"

TEACHER: "Correct!"

Can you imagine living
in a satellite?
