DEDICATION

"Then Jesus ordered the crowds to sit down on the grass; and taking the five loaves and the two fish He looked up to heaven, and blessed, and broke and gave the loaves to the disciples, and the disciples gave them to the crowds."

Matthew 14v19

We, the eighth grade class of 1990-1991 are proud to dedicate this yearbook to Lavera Harms, the head cook at our Lutheran School, because of her willingness to cook approximately 97,440 lunches over the past seven years. We also would like to thank her for the great variety of food which she provides for us every day. Thanks, Lavera, for all of your hard work and may God bless you for many years to come!

APPRECIATION

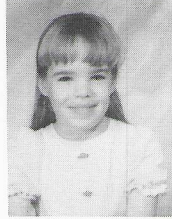

We, the eighth grade class of 1990-1991 would like to extend this special appreciation to Steve Pritzel, the seventh and eighth grade girls' basketball coach. He has willingly dedicated his talents and free time to push us to play at our very best and has taught us how to play as a team. Even though he has pushed us hard he has also taught us how to have fun. He has laughed with us and at us.

May God bless you, Steve, and good luck in the years to come.

OUR CLASS IN THE FUTURE?!?!

We, Jason Bruns, Greg Burel, and Cameron Stelling, are the owners of a small tropical island in the Pacific which we obtained by luckily winning Missouri Megabucks. One day, while reminiscing about our school days, we decided the class of '91 should have a class reunion.

After making some phone calls, we found out that Elroy Ahlers had bought "Sega" video systems and was a multi-millionaire. Elroy told us that Jamey Meyer was a gourmet food inspector of "Lori's and Lawrie's" line of gourmet microwave dinners, owned by our own Lori Ehlers and Lawrie Ann Weinberg. After making many calls that day, we decided to relax and watch some T.V. We saw Jake Moellmann starring in his own television series, "Jake, the Singing Garbage Man." Later that night we saw Dina Mullins and Abby Hout starring in their new late night talk show, also starring Abby's fiance, Vanilla Ice (the rapper, not the ice cream).

The next day Jason told the servants of our island to call the rest of his classmates, including Scott Brandes, the newest member of the new and improved "2 Live Crew," which was on tour on our island. That day we also made contact with Beth Harms, the Bull's center, which is coached by Crystal Goosen, the world's first woman N.B.A. coach.

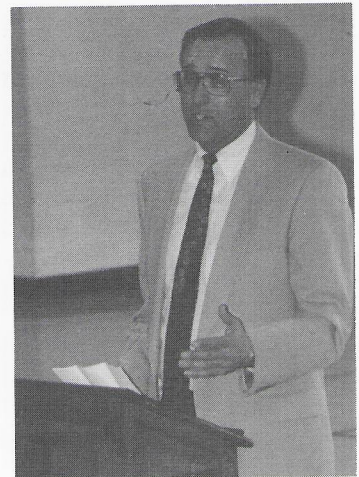

Beth told us about Brock Heimsoth, who owns a cattle station (or ranch) in Australia, and is married to Cher. She also said that Greg Oelrichs is the five-time world champion of the Nintendo World Championships.

As soon as we told our friends about the reunion, we picked them up in Elroy's jumbo jet. After everyone arrived on our island, we remembered our old teacher, Mr. Bauer. So we flew to Alaska and picked him up at his fishing resort and flew him back to our island. Then we had the largest party ever recorded in history.

PROJECTS

 ACTIVITIES

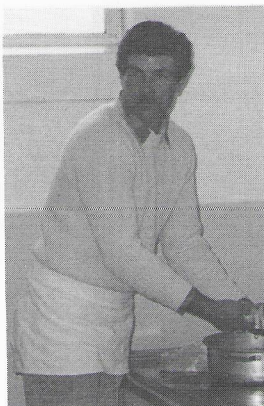

Many hours were spent creating "Future Missions", the 1990 Cole Camp Fair's grand champion entry from the Partners In Education.

"And St. Peter said, 'Get off your donkey and come on in!'"

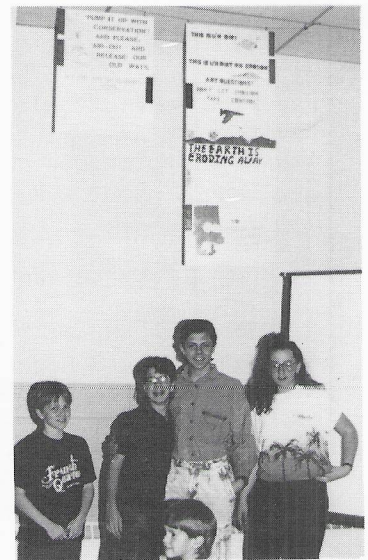

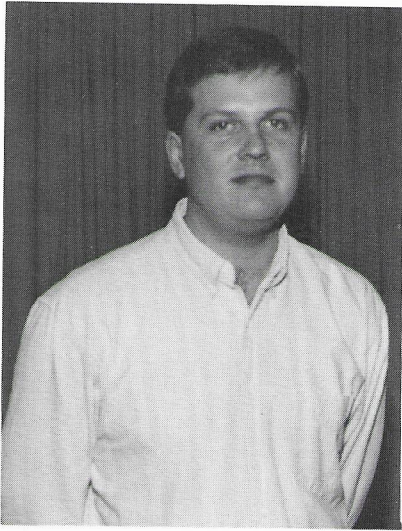

Below right: Some of our Soil and Water Conservation Poster Contest Winners. Out of 22 prizes awarded by the Benton County S.W.C.D., 10 were won by students of our Lutheran School.

Our fearless leader!

The Spaghetti Dinner sponsored by the P.I.E. in March, 1991, was very successful . . . it enabled us to purchase a laminator for our school.
