

## Dedication

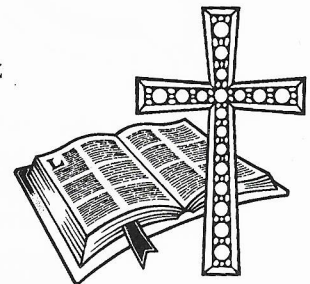

*We the 8th grade class of 1997-98 dedicate this yearbook to the yearbook staff. They have dedicated their time and money to this yearbook. We would also like to thank them for putting up with us and the classes from past years. We would also like to encourage them to run the yearbook for years to come because of their terrific dedication and their knowledge of how the system works. This years yearbook committee includes Kathy Eblers, Robin Ehrichs, David Lutz, Jenni Hayward, and Cheryl Peterson.*

It was the year 2010 and I, Aubrey Ehrichs, had just finished law school and was planning to get married to Jonathan Ehlers, who was playing for the L.A. Lakers. I was on my way to go see Victoria Gates, a multi millionaire after she opened Victoria's Health Spa. As I was driving along, I looked out the window and saw a Radio Shack. I went in to see if there was a nice entertainment system, when I heard a familiar voice. It was Katherine Kreisel, one of my old classmates. She was the commercial spokesperson for Sprite. I looked at the T.V. and to my surprise I saw Dusty Heimsoth, Brandon Simon, and Jonathan, my fiancé. They were all in their Lakers uniforms drinking Sprite. I turned around to ask a man about the entertainment system and it turned out to be Jonathan Hagen. I told him about Jonathan's and my wedding being very close to the date of our 8th grade reunion and asked if he'd come. Then he told me that Jake Schnakenberg lived close by and that he was a BMX bike rider. I went to Jake's to ask him to come to the wedding and also to remind him about the reunion, but he was at Camille Ehlers', a well know psychiatrist. I'm not sure if the visit was for professional or personal reasons. After that I went to Vickie's house and told her about all the people I saw on my way here. She told me that Chris Dieckman called and that he was a farmer in Nebraska. He said that he was able to come, and to tell Jonathan and me congratulations. He also told her that Justin was a lawyer and that he was representing Chris Emmerich, an architect, who was suing somebody for messing up his blueprints. Vickie and I flew Chris D. up here for our reunion and invited him to our wedding. We all got together and just figured that we should have the reunion and wedding combined. The day came for the wedding and reunion. We walked in and there was an old, gray headed man standing at the door. He turned around and all of us yelled "MR. BAUER!!!" The gray headed, old man was our seventh and eighth grade teacher. We had the wedding and afterwards we celebrated the reunion and talked about all that had happened throughout the years.
