In the year 2020, I, Derek Hoebns decided to reunite with my classmates after watching "Judge Jeanna" on TV. I am a pastor at Cole Camp. I called around and found out that Nicole was at a National Volleyball Players Association practice in Florida. I talked to Audrey's mom and found out that she was in Washington D.C. planning a party for the President. I called Randy's dad and found out that he was in Texas. He and Danny were in court against a group of scientists who said that you could die from eating beef. I talked to Jeanna's mom and found out that she was in Hollywood making another show for "Judge Jeanna", a popular TV show. I called Eric's dad and was amazed to hear that he was in France, so I had to fly all the way to France to get him. He was working on a fireworks show. I knew that Joanie was in New York, working on a trial for Donald Trump. We all agreed to meet in the Bahamas for a big reunion and party. Later we flew back to Washington D.C. to attend Audrey's party for the President.
